Route description

On this track you will visit the northern part of the surroundings of the city of Požega, through beautiful countryside with visits to OPG's, vineyard association, winemakers, vineyards ...

By cycling on the mixed asphalt dirt road you will have the opportunity on initial part of drive a gentle slope to come north of Požega where there is a beautiful view of the city.

Then we will drive to the foothill of Papuk, one of the centers of winemaking in the northern part of the Požega valley. We will see vineyards of Kutjevo and Kaptol. In the midday hours there will be grape harvest. The grapes will be required for processing of our personalized wine.

After the harvest we organize lunch in the open and after lunch we return to Požega.

In the evening, after the break, processing of grapes and an agreement about the name of personalized wine, we will go to resort Zlatni lug for dinner and overnight.

In the morning after breakfast there will be agreement about storage of wine, filling bottles and agreement about next step in the completion of our personalized wine.
