Route description

On this route you will see Požeško gorje, the area above Požega, which leads to the Homeland Cross on Sokolovac Hill. By biking on asphalt road, from the Square of the Holy Trinity, we will come to the Vojak Winery. While staying at the winery, we will see surroundings of Požega and the town of Požega. After refreshing and wine tasting we continue driving through the vineyard on macadam road to the hill Sokolovac where the Homeland Cross is located. From the location of the Homeland Cross, the view rises up to the Papuk hills and we can see the entire Požega valley. It leaves bikers and passengers breathless.
